Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A gripping novel about a seemingly charmed marriage and a mysterious disappearance at sea In 1905, a tourist agent and amateur antiques collector named Armand de Potter mysteriously disappeared off the coast of Greece. His body is never recovered and his wife is left to manage his affairs on her own. But as she starts to piece together his life, she realizes that everything was not as he had said. Infused with details from letters and diary entries, the narrative twists forward and backward through time, revealing a lost world of fake identities, underground antiques networks, and a husband who wasn't what he seemed. Originally from Belgium, young Armand de Potter comes to New York without a penny in his pocket. With cunning ambition, he quickly makes a name for himself as both a worldwide travel guide and a trusted if illegal antiques dealer. After marrying, he moves the family to a luxurious villa in Cannes and embraces an aristocratic life. But as he grows increasingly entangled in the antiques trade and his touring business begins to falter, Armand's control starts to fray. As the world closes in, he believes he only has one option left. Told with masterful narrative agility, *De Potter's Grand Tour* is a tale as grand as the tour guide at its center. Drawing on real letters, legal documents, and a trove of diaries only recently discovered, Joanna Scott points delicately toward the story's historical basis and unfolds a detective tale of the highest order.
