NO ONE SAID IT WOULD BE EASY: A HUSBAND S JOURNEY THROUGH HIS WIFE S BATTLE WITH BREAST CANCER (PAPERBACK)

[DOWNLOAD](#)

Dunham Books, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. NO ONE SAID IT WOULD BE EASY: A Husband s Journey Through His Wife s Battle With Breast Cancer is the gripping story of a man who lost his wife to breast cancer. Told through his eyes, the reader sees everything both medical and personal, the way he experienced it and how he reacted to the various experiences and situations at home, at work, in his mind, and in his private time. It recounts the heart-wrenching journey through his wife s fight for survival in this well-written and brutally honest chronicle that stands as a companion guide for all men caught in this war of all wars. The Do s, Don ts, and I Don t Know s are all captured here in a vulnerable tale that offers to shine a light in such inevitable darkness. NO ONE SAID IT WOULD BE EASY takes the reader through all of one man s thoughts, reactions and emotions through it all: her initial diagnosis, treatment, the declaration of her being cancer free, her relapse, treatment, decline, death, burying her and then moving on in all facets of his life as a man and a father. It tackles everything from the medical procedures to the shift of balance in the household going from equal partners to provider and caregiver. It also tackles the details of his personal life that only a man going through this will know: things such as the intimacy (both sexual and romantic) between him and his wife, how he dealt with his feelings of anger / loneliness / faith, raising a son and two young daughters (after all, what man knows about bras, make-up, hairstyles and boys), to moving on...
