It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Journal of a Holiday Maker - London to South Africa, is the true story of an Afro-British couple (John aka Sharif and Shirley) who explore southern Africa for the first time and more specifically, South Africa; the story is narrated through the voice of Shirley. It is a fascinating and truly absorbing perspective on a time of great socio-political change in South Africa and Zimbabwe and Shirley displays a keen eye for how these changes are manifested in both the people and societies in general. She sets the visit very firmly in its historical context and describes with great vision, the effects of Apartheid and the prevailing political environment. The excitement of the pending release from prison of Mr. Mandela; the environment of hope for the future of South Africa; and therefore the survival of South Africa were all palpable to the holiday maker in South Africa at the time. Far from being gloomy and depressing, or forming heavy reading; The Journal of a Holiday Maker is filled with larger than life characters, that with the Author's descriptive eloquence is vividly brought to life and encouraged to play his/her part and before easing back into the shadows but leaves a lasting impression; only to be replaced by another and another. This is a must-read for all those who enjoy a personal Bill Brysonesque account well told.
