Little, Brown Book Group. Hardback. Book Condition: new. BRAND NEW, Mr g: A Novel About the Creation, Alan P. Lightman, "As I remember, I had just woken up from a nap when I decided to create the universe." So begins Alan Lightman's playful and profound new novel, Mr g, the story of Creation as narrated by God. Bored with living in the shimmering Void with his bickering Uncle Deva and Aunt Penelope, Mr g creates time, space, and matter-then moves on to stars, planets, consciousness, and finally intelligent beings with moral dilemmas. But even the best-laid plans can go awry, and Mr g discovers that with his creation of space and time come unforeseen consequences-especially in the form of the mysterious Belhor, a clever and devious rival. As Mr g watches his favorite universe grow into maturity, he begins to understand how the act of creation can change the Creator himself.
