Brand New Book ***** Print on Demand *****.Handle with CARE: The Digi-Ki System of Natural Healing We are at a time of crisis and opportunity in relation to our health and well-being. A guide through the Four CARE Principles enabling experiential understanding of our relationship to the Universe and Natural Healing. . A comprehensive guide and intuitive methodology for personal and professional healing sessions. . A wide-ranging array of meditations and exercises for maintaining personal vigor, health and well-being. . Complete instructions for assessing, cleaning, tuning and invigorating the body s Chakra system. . Methods for testing your connections with the Universe and access to the life force energy called Ki (Japanese) or...
