If you are a project manager looking to interview junior project managers, then this text will help you ask meaningful questions that demonstrate experience in addition to project management competency. By following the 7 step interview process, you'll be well prepared for your next interview as well as have a list of job opportunities to pursue. Interview Strategies . Not Just Questions Many of the books on the market today simply provide a list of project management questions and suggested answers. Providing a list of questions and responses to memorize and regurgitate is unrealistic and ineffective at best. This text takes a different approach and provides an interview strategy using a step-by-step approach to identify opportunities, prepare for an interview and successfully pass an interview without memorizing. Learn how to prepare, find opportunities and pass the interview process This book will teach you how to prepare your resume, find the right opportunity, pass the initial phone screen and prepare you for your on-site interview and the stages afterward. After following this step-by-step process, you will also have a list of additional job opportunities to pursue in addition to your next interview. Free interview question templates included As part of...
