Brand New Book ***** Print on Demand *****.Excerpt from The History of England, Vol. 8: From the First Invasion by the Romans; To the Revolution in 1688 With pretensions so contradictory both parties awaited the issue of the campaign, in the hope that some fortunate occurrence might give additional weight to their demands. A whole year (so numerous were the difficulties raised, so opposite the interests to be consulted,) passed away in the arrangement of the preliminaries; the place of meeting, the powers to be admitted, the titles and rank which they were to assume, became subjects of endless discussion; and when at last the congress was opened at Nimeguen, the place proposed by the king of England, it soon appeared that none of the parties (with the exception perhaps of the States-General) sought to bring it to a conclusion. It was the object of Louis to break the confederacy, to negotiate successively with his different opponents, and to obtain by separate treaties, what he foresaw would be refused, as long as the confederates remained united. The emperor and the queen regent of...
