Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Descriptive Anatomy Towles Notes on Anatomy, which forms the basis of the present work was not the work of a single man, but the outgrowth of a school. This school, founded here, probably, by Prof. Robley Dunglison, who brought the Edinburgh traditions into his teaching, was perfected by Prof. John Staige Davis, who, in his turn, instructed Prof. Towles, from whom the present writer acquired what knowledge of anatomy he possesses The effort of all of the teachers in this school has been to make the instruction clear, simple, and practical; and these have been the characteristics of the Notes While endeavoring to increase the amount of information contained in the work and to make it more representative of the lectures the writer has tried to preserve those characteristics which have always distinguished the School of Anatomy at the University of Virginia. At this late day it is impossible for any one to write an original work on such a subject as anatomy, and originality is not claimed for this work. It has simply been...

### Reviews

*This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Prof. Valentin Hane MD

*This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*

-- Dr. Gabriella Hayes
