INTENTIONAL EDUCATIONAL MALPRACTICE IN AMERICA: AN EXPOSE OF HOW LOCAL PUBLIC SCHOOL BUREAUCRACY DESTROYS PUBLIC EDUCATION (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Greatly raising student achievement in American K-12 public schools is much easier than the American public realizes---and a lot of money can be saved in the process! Our public school districts are replete with academic administrators and school board members that know this is true, but have disincentives from making it happen. Many private schools and some public schools are already making it happen. President Reagan recognized John Saxon in the 1980 s and his series of books that made it happen. A search of the internet can enlighten anyone wanting to know how this is possible. Though not necessary, merit pay for teachers and administrators would further restore America to educational leadership and economic power in the world. The failures in our public schools are many and all of them are reflected in low student achievement But what if a magic pill for achievement along? And it has! But just as a dentist would be devastated by a magic pill that would prevent all cavities, special interests that depend on student failure for their careers to exist would be devastated by a magic pill for student achievement. This book will examine this magic pill PROCESS along with other positive enhancements to achievement and suggestions for reforming your local school district---the entity that all too often is guilty of Intentional Educational Malpractice that greatly diminishes student achievement and success. In a nutshell, this PROCESS consists of a teacher teaching a lesson in the usual prescribed way and then systematically reinforcing what has been learned. This is done by the way of distributed practice and distributed instruction of the learning over an extended period of time. A 15 minute...
