

Slow to Judge: Sometimes it's Ok to Listen

Filesize: 8.4 MB

Reviews

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.

Thomas Nelson Publishers. Paperback. Book Condition: new. BRAND NEW, Slow to Judge: Sometimes it's Ok to Listen, David Capes, Refraction, God invites us to judge and to help correct wrongs from a place of understanding. Sometimes we pre-judge a person based on our own biases and superficial experiences. We stifle dialog before the conversation even begins. If all we know is our own faith, and we never put it side-by-side with what others believe, our spiritual growth and commitments can be easily stunted. By truly listening and learning from those with different beliefs, we can broaden and deepen our kingdom commitments. It is possible to stand up for Jesus, to articulate our faith clearly as witnesses, and to defend our faith effectively, while at the same time not being perceived as judgmental. Christians need to be faithful witnesses to God who are willing to listen to people with drastically different stories. In those exchanges, when we suspend judgment and truly listen, we will find truth and beauty and goodness in some of the most unexpected places. We will also find that, if we truly listen, we may be given a chance to speak. Features include: * Help for interfaith and intercultural dialog * Thought-provoking questions for spiritual conversation or reflection.
