Barron s delightful series of Look at Me Books for toddlers continues to grow with more brand-new titles for the Spring 2011 season. Each of these board books tells a story about mother animal, how she cares for her baby, and keeps it out of trouble. The stories have natural appeal for younger boys and girls. This book s color illustrations on every page show a mother elephant and her baby rendered in a naturalistic style and placed in realistic settings. The book is die-cut in the shape of the baby elephant that is shown on the front cover and depicted in the story.
