Publishamerica, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.She never had the feeling that anyone would listen to her. Not even one person in the circle of people she knew and her kindergarten teacher asked about what she had to say. She always appeared too happy to show restraint. There was so much in her like love, her eating disorder, depression, and a host of other emotions and thoughts. Because she hardly spoke about them, she began to write down the experiences themselves. She always did what was expected of her. This is one of the first steps she has made to change her life. Her thoughts are finally on paper. MJDRyanRose has been a professional daydreamer since 1978. The letters of her name each carry a meaning. Born in a tropical country, she had to leave as a baby for a little country in Europe. She has numerous studies behind her back. She is also the proud mother of a 13-year-old gorgeous and smart princess. In addition to her passion for writing, she has a lot of love for God, in-depth interviews, the people in her life, and so much more!.
