Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

(David Weber)

AFRICAN GUERRILLAS: RAGING AGAINST THE MACHINE

Lynne Rienner Publishers Inc. Paperback. Book Condition: new. BRAND NEW, African Guerrillas: Raging Against the Machine, Morten Boas, Kevin C. Dunn, At the center of many of Africa's violent conflicts are movements that do not seem to fit any established theories of armed resistance. "African Guerrillas" offers new models for understanding these movements, eschewing one-dimensional explanations. The authors build on - and in some cases debate - the insights provided in Christopher Clapham's groundbreaking work. They find a new generation of fighters - one that reflects rage against the machinery of a dysfunctional state. Their analysis of this phenomenon, combining thematic chapters and a range of representative case studies, is a crucial contribution to any effort to understand Africa's war-torn societies.
