Emergency! Knowing where to find what information in an emergency is of immense importance. There is no time to waste when a life is at stake, and having tools to understand the dynamics of holistic emergency care and trauma recovery is key to keeping such situations as stress free as possible for all involved; humans and animals alike. It was with this intention in mind that I created the outline for Holistic Emergency Care and Trauma Recovery for Animals. The backbone of this book as based upon the Standard First Aid guidelines such as those taught by the American Red Cross and other emergency care companies. Holistic Modalities were then used to expand the basic Standard 1st Aid tools to provide rescue and trauma recovery personnel and animal guardians with a greater tool kit from which to assist in the immediate moments of an emergency and also for long term care. The book is broken into four primary sections. Section I - Holistic Emergency Care assists the reader in gaining a broad...
