Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Little, Brown Book Group, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 126 mm. Language: English . Brand New Book. Tarquin, the powerful Duke of Sconce, knows perfectly well that the decorous and fashionably slender Georgiana Lytton will make him a proper duchess. So why can t he stop thinking about her twin sister, the curvy, headstrong, and altogether unconventional Olivia? Not only is Olivia betrothed to another man, but their improper - albeit intoxicating - flirtation makes her unsuitability all the more clear. Determined to make a perfect match, he methodically cuts Olivia from his thoughts, allowing logic and duty to triumph over passion .until, in his darkest hour, Tarquin begins to question whether perfection has anything to do with love. To win Olivia s hand he would have to give up all the beliefs he holds most dear, and surrender heart, body and soul - but it may already be too late. Romance writing does not get better than this People Magazine.
