Skittish Endeavours, United Kingdom, 2015. Paperback. Book Condition: New. 225 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.GiGi (well, Griselda Griswald actually, but everybody calls her GiGi) is a woman with a mission: to help people improve the way they look, increase their self-esteem, and eventually, make them happier people. Being a personal shopper is a dark art, with few tangible rewards. Spread by word of mouth, her clients would never admit they needed her assistance. Not even if they put them under torture. Let us be honest, who would admit to being in need of a style consultant? It is like being an alcoholic: the first step is to admit you need help, and acknowledge that that pair of leggings, now that you are in your mid-fifties, do not suit you anymore. People need advice and often a fresh point of view helps in rejuvenating a wardrobe that, with time, has become boring. Would they admit it? Not a chance! So, it is just a matter of going around and helping people buying clothes and shoes? Not quite so. Money is tight; GiGi has to work with rich and very eccentric people, who often do not have any idea about what they want. She and her business partner Ritchie are in a constant struggle to keep the business afloat, but as they say in Dragon s Den, she is very investable. But, with success comes the difficulties, the Battersea Fashion Center is going to open soon, just opposite of her office, and they claim they will be fierce competitors. With the constant struggle...
