By J Auerbach

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Guide to Friendly Visiting, Vol. 1 In dealing with dependent, defective and delinquent families in their homes, no better or more efficient agency has yet been found than a well qualified and organized corps of Friendly Visitors. Charity Organizations, Humane Societies, Juvenile Courts and similar Welfare Organizations, employ paid visitors in their investigations of distress, cruelty, waywardness and unsanitary conditions. Through these official visitors, the public is made aware of a number of the existing evils in the homes of the poor that are a menace to society and in many respects even endanger the welfare of the future generation. Their trained eyes discover conditions either unknown or ignored by the general public that if left unchecked would weaken the social structure and might in a few decades reduce the nation from a high state of efficiency to incompetency, weakness and ultimate ruin. The number of this class of social visitors is of necessity small, on account of the necessity to devote all of their time and energy to social service work. These few...
