AGGRESSIVE CHRISTIANITY (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a republication of a Christian classic. Have you noticed that contemporary Christianity is lacking backbone? Every day our culture slides farther and farther away from God and it seems we are powerless to stop it. We need the Spirit of the original apostles. They turned the world upside down with their radical faith in God. They changed the course of history and we can too. But if we want the same results the got, we must have the same faith that they had. Aggressive Christianity is a call to radical discipleship. It will challenge even those who think they are sold-out. It will call you to be what God truly intended you to be. In this book Catherine Booth explains what it means to be a real Christian, and how real Christians change the world. She lays the foundation of what true conversion is, how the Gospel is advanced, and shows how we can and must recapture the Spirit of of the original apostles. This is a serious call for serious believers. Maybe it s time you walked in Aggressive Christianity.
