Featuring full color illustrations by artist Noelle Giffin, its perfect for kids 4 to 9 years old. Valentina isnt thrilled with her parents decision to move into an ancient, gigantic mansion in the middle of nowhere-filled with dark, unsettling rooms, and far away from civilization, where they dont have to worry about hiding who they are. Sure, it may be perfect for a vampire family like hers, but moving here meant leaving her best friends behind. The new house has some perks, though. Valentina gets to choose her own room, and when she explores the mansion on her own, she discovers a trophy room, a museum room, a music room, and much more. From the moment Valentina started exploring, however, shes felt someone watching her. Strange things start to happen all around her: footprints appear in the dust, a disembodied voice sneezes. and just because Valentina is a vampire, doesnt mean she doesnt get scared like any other little girl. Valentina and the Haunted Mansion is just the first in this fun and exciting new series for kids.
