If you re a newcomer to spirituality, would you like to know about the evidence that your soul consciousness will survive without your physical body, and that you have many lives? Would you like to understand why you reincarnate, and what that means for how to approach your everyday life? And would you like to learn about your true relationship to God? Or if you re a more experienced spiritual seeker, would you like to unravel the enigma of being part of All That Is and yet also an individual soul? And would you like to understand the oft-misunderstood interplay between experience and illusion, and between conscious creation and active surrender? It s only now that we can finally answer all these questions and more using a spiritual framework that is logical, coherent and philosophically elegant.
