The Commissioner wants every retailer handling cereal goods to understand that the retail stocks in every part of the State are to be thoroughly sampled and sent to State College for a scientific examination and that whenever contamination by bugs, slugs and the like is detected prosecutions will be instituted in every case and vigorously pressed. This frank note of warning is given so that the retailer may have a fair opportunity to clean up his stock and consign to the dump every package of cereal that is in condition to bring him into trouble because of its lack of freshness or its location near wevilly goods, since even fresh goods may quickly become wevilly if stored in the neighborhood of old packages containing these insects. Despite the difficulties of...
