Lulu.com, United Kingdom, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Joe McKibben refuses to accept the emotional reality that his wife of thirty years was killed in a vehicle crash. Like the good cop he once was, he ignores his feelings of grief, telling himself he s still married. Eleven months of living alone has him asking why he s still alive. His ignored feelings of grief explode into anger when he finds the brutally slain body of another retired detective and close friend. Evidence indicates his friend s death may be linked to an older murder in the city, one that has remained unsolved for three decades. McKibben, now the owner of a historical research firm, begins to dig into the older murder, using computerized data that did not exist in the 1970s. His research unearths a trail of crime and tragedy that leads back a half-century into the city s history and forward to the wife of the man who will be the city s next police chief. McKibben s search, which takes him across three states, also leads to a chance encounter that gives his life a new beginning.
