By Eye Weekly

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, More Eyedential Twins, Eye Weekly, Ever walk down the street and find yourself overcome by the feeling that everyone is staring at you? Well, they are. The main reason is the broccoli between your teeth, but more importantly, they're thinking, "Isn't that the rock star who just killed himself?" or "My, she sure looks like a young Jean Chretien." Whether through accident, cosmic justice or bad lighting, there are uncanny, if not unwholesome, similarities between plenty of famous and infamous people. Here is the second collection of photos compiled by the editors of Toronto's 'eye Weekly', with suggestions from the fearless readers, over the last five years. Glory in the bathos, pathos and shmathos of eyeDential Twins, an acerbic document of terrifying resemblances and horrifying doppelgangers, brought to you, dear reader, by a newspaper that has never known the meaning of 'good taste' but could probably spot it if someone pointed it out. So, forget about 'Who's Who', 'People' and the social register. Just buy this book. Better yet, buy two, for that fully integrated, post-modern, I-was-there twin experience.
