Brand New Book ***** Print on Demand *****.There are jobs requiring skilled workers in the UK, but not all unemployed UK youth are able to make use of these opportunities. There are great career opportunities waiting to be taken in Britain. What are the areas in which skills shortages exist in the UK? Which skilled jobs are desperately in need of foreigners because of the local unavailability of talent? In which skilled profession is talent in such short supply that temporary staff can earn as much as 15,000 per week? How do some accountants earn 500 per day? Do UK employers like the work ethic of foreigners? Are those with foreign language skills in demand? What is the government's official view on the UK's skills shortages? Which is the best employer for foreigners...
