The scattered survivors live simply, primitively, bonded to the earth and the Great Goddess. Their one hope lies in the dream-given prophecy that Greer the Sibling, a female savior, will rise and restore them to greatness. An epic and magical story of one woman s exceptional destiny during exceptional times, Goddess Rising follows Greer s journey from simple obscurity to her prophesied reign. Acknowledged as the face of the Goddess on earth, Greer discovers the rewards of power-and the price-as she struggles through her own labyrinth of fear and desire, sexuality and sacrifice, love and death.
