Reviews

This publication is great. It really is packed with knowledge and wisdom Your daily life period will probably be transform when you complete reading this article book.

(Wilford Metz)

RILKE'S LATE POETRY: DUINO ELEGIES, THE SONNETS TO ORPHEUS AND SELECTED LAST POEMS

Ronsdale Press. Paperback. Book Condition: new. BRAND NEW, Rilke's Late Poetry: Duino Elegies, the Sonnets to Orpheus and Selected Last Poems, Rainer Rilke, The late poetry of Rainer Maria Rilke (1875-1926) is one of the summits of European poetry in the twentieth century. Completed in 1922, as were T S Eliots *The Waste Land* and James Joyces *Ulysses*, *Duino Elegies* ranks with them as a classic of literary Modernism and as an inquiry into the spiritual crisis of modernity. The ten long poems grapple with the issue of how the human condition and the role of art have altered in the modern era, with the decline of religion and the acceleration of technology. 1922 also saw the unexpected birth and completion of a new work, *The Sonnets to Orpheus*, a cycle of 55 sonnets giving lyrical expression to the philosophical insights gained in the *Elegies*. This is dedicated to Orpheus, the mythic singer and lyre player, who becomes a symbol for Rilke of the acceptance of transience in life and transformation in art. The third part of the late poetry consists of the less known brief lyrics Rilke wrote in the five years prior to his death in December 1926. These last poems constitute a kind of third testament, along with the *Elegies* and *Sonnets*. Graham Good's edition is the first to combine translations of all three into a single volume. His versions represent the meanings and echo the sound patterns of the original within fluid and readable English verse, while the introduction and detailed commentary elucidate the contexts, themes and allusions to help make Rilke's late poetry accessible to contemporary poetry lovers and spiritual seekers.
