Lyrics from the Song-Books of the Elizabethan Age (Paperback)

By Various

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The present Anthology is intended to serve as a companion volume to the Poetical Miscellanies published in England at the close of the sixteenth and the beginning of the seventeenth centuries. A few of the lyrics here collected are, it is true, included in England's Helicon, Davison's Poetical Rhapsody, and The Phoenix Nest; and some are to be found in the modern collections of Oliphant, Collier, Rimbault, Mr. W.J. Linton, Canon Hannah, and Professor Arber. But many of the poems in the present volume are, I have every reason to believe, unknown even to those who have made a special study of Elizabethan poetry.
