What If It s ADHD and College: 25 Questions Answered (Paperback)

By Paul Nevin Psyd, Kerri Nevin Psyd

Portrait Health Publishing, United States, 2012. Paperback. Book Condition: New. Jeremy Shape (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The transition to college presents unique challenges for ADHD students. College bound ADHD students, as well as their parents and other adults that wish to support them, often have many questions about this transition and how to prepare for it. This short book offers them the essential information they need. The streamlined question and answer format allows readers to get right to the information they want with a minimum investment of time and effort. Readers will learn about how to find an ADHD friendly college, what kind of support is available during the college years and how to access it, what to say, if anything, about ADHD in an application, and the real truth about ADHD in adulthood and its impact on college success. Twenty five key questions are asked and then answered providing ADHD students, their parents, and the professionals that work with these young people an invaluable resource for navigating the college transition.
