It begins with a heart dedicated to mastering the skill of discipline. A hurried process can result in shattered shards of metal, and careless indifference produces slipshod workmanship. Only precise adherence to time tested standards coupled with exceptional ingredients and a master s genius will free the elements to become a unique masterpiece. The same is true with the flesh and blood that wields the sword. From the Manual of Discipline found in the Library of Vindry-author unknown Following the downfall of the three great Aelfene kingdoms, sorrow and fear flood the world of Aelandra. Pride and the quest for power shreds the idyllic symbiosis between the ancient dragons of light and the Aelfen. Survivors scatter with hopes to preserve their ancient heritage, but dragons fallen into darkness train a Dragon Master with designs to slay all the Aelfen and bring the world of men under their control. Banished from the physical world, dragons of light leave a legacy to craft a weapon to aid men against the encroaching shadows, but time favors the evil Dragon Master and his dragons dedicated to subjugate the kingdoms of men. Can a young man and woman master the keys and find the courage necessary to gather the elements needed?.
