St. Martin's. 1 Cloth(s), 2013. hard. Book Condition: New. On the morning of August 22, 1485, in fields a few miles from Market Bosworth in Leicestershire, the army of King Richard III faced that of pretender Henry Tudor, a 28-year-old Welshman who had just returned to Britain after 14 years in exile. This was to be a fight to the death only one man could leave the field and claim the throne and it would be the final fight in the Wars of the Roses. Yet Chris Skidmore gives us much more than an account of this legendary battle; he chronicles brutal feuds and deadly civil wars between the York and Lancaster factions, and through it all the rise of the Tudor family a story that began 60 years earlier with Owen Tudor's affair with Henry V's widow, Katherine of Valois."Skidmore's discussion of the archaeology of Bosworth and his postscript about the forensic evidence leading to the possibility that Richard was executed on the battlefield were particularly illuminating."Publishers Weekly"Skidmore does a fine job of telling a complicated story that ends happily as Henry, now Henry VII, founded the Tudor dynasty that included his son, Henry VIII, and granddaughter, Elizabeth."Kirkus Reviews 437.
