

Concentrating photovoltaic: Principles. Systems and Applications(Chinese Edition)

Filesize: 3.19 MB

Reviews

These types of publication is the best book available. it absolutely was writtern very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be he greatest publication for possibly.

(Lucas Brown)

CONCENTRATING PHOTOVOLTAIC: PRINCIPLES. SYSTEMS AND APPLICATIONS(CHINESE EDITION)

To read **Concentrating photovoltaic: Principles. Systems and Applications(Chinese Edition)** eBook, please refer to the hyperlink below and save the document or get access to other information that are relevant to **CONCENTRATING PHOTOVOLTAIC: PRINCIPLES. SYSTEMS AND APPLICATIONS(CHINESE EDITION)** book.

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2012 Pages: 387 Language: Chinese in Publisher: Tianjin University Press. low-cost solar power generation technology has been a hot spot of research at home and abroad. concentrating photovoltaic concentrating tracking device for low-cost alternative to expensive solar cells. has the potential to significantly reduce the cost of photovoltaic power generation. The The concentrator photovoltaic: Principles. systems and applications. a comprehensive international concentrating photovoltaic development process of the present situation and prospects. discusses the basic theory of the concentrating photovoltaic system with key unit. and the system introduced internationally renowned research institutions and enterprises the work done in the development of commercialization. China's concentrating photovoltaic development chapter supplement discusses the domestic photovoltaic concentrator technology and the development of the industry. Photovoltaic concentrator: Principles. systems and applications available for scientific research. development and application of engineering and technical personnel engaged in the PV. especially in the concentrating photovoltaic power generation reference is also available for tertiary institutions teaching use. Contents: 1.1 Introduction 1.2 Chapter 1 of the CPV's development history and new challenges the course of development 1.3 Interpretation 1.6 concentrator photovoltaic systems scale production challenges facing the new challenges of the past 1.4 for concentrator photovoltaic demand 1.5 concentrator photovoltaic 1.8 Conclusion 1.7 opportunities 2.3 -V family heterojunction photovoltaic effect and related phenomena 2.4 the group -V heterojunction devices Chapter 2 PV References 2.1 Introduction 2.2 -V group heterojunction early development condenser -V family heterojunction solar cells 2.5 Conclusion Reference Chapter 3 concentrator silicon solar cells efficient silicon solar cells 3.1 Introduction 3.2 requirements 3.3 3.4 line focus system for point focusing system silicon solar cells silicon solar cells 3.5 Conclusion References Chapter concentrator multi-junction solar cells...
