

The Atlantic Monthly Volume 81 (Paperback)

By John Davis Batchelder Collection

Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1898 edition. Excerpt: .interesting subject. The Chicago Tribune says: The whole plan and contents are well fitted to tempt all youthful bird-lovers into the charming bypaths of ornithology. The Boston Advertiser remarks: The introduction is especially valuable, for it treats of how to find a bird s name, where to find birds, how to watch birds, how birds affect village trees, gardens, and farms, how to keep birds about our houses, and gives a general key to birds mentioned in this book. This last section is illustrated, and presents a very simple color scheme of markings by which to identify the feathered folk. The Cambridge T riburze says: The book should be in every family where there are children, for its lessons have been made so attractive that they cannot fail to engage the attention of any intelligent young person, yet it will also be found equally...
