# Active Component Rapid Response Force; The Answer to the Military's Issues with Efficient and Effective Support During Response to and Recovery from Incidents of National Significance?

By William W. Johnson

Biblioscholar Sep 2012, 2012. Taschenbuch. Book Condition: Neu. 246x189x5 mm. This item is printed on demand - Print on Demand Neuware - Since September 11, 2001 (9/11) heavy emphasis has been placed on securing the United States and its interests from terrorism. However, little emphasis has been placed on the importance of efficient and effective response to incidents of national significance that do not fall into the realm of terrorist activity. Future references to an incident of national significance will be assumed to be natural vice terrorist related unless otherwise stated. Chemical, Biological, Radiological, Nuclear, or Explosive (CBRNE) attacks or attacks against national security nodes are beyond the scope of this project. The events of Hurricane Katrina brought to light significant response and recovery issues associated with emergency situations within the Continental United States (CONUS) and the efficiency of the federal military actions associated with incident of this magnitude. Through April 2006 the mainstay of guidance for the use of active military forces (Title 10) has been Department of Defense (DoD) Directive 3025.15 Military Assistance to Civil Authorities (MSCA). This directive includes a myriad of enclosures and supporting documents which outline when, where and to what extent active military personnel...

## Reviews

*Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.*
